We have a lot of fantastic one day a week dancers that we'd love to have join our Teams this year! Recreational dancers can choose classes in their age division. Performing Teams are required to attend a Jazz /Technique Class on Tuesday to learn the audition routine as well as Ballet & Tumbling Classes on Thursday in June & July, to keep up on their technique, turns and ballet & audition for a performing team 2024-2025. It's surprising how fast they lose skills when they take a break. (Just Like Reading!) Tumbling & Tricks at the Studio is required for all team members.

Registration Forms are due by April 24th along with the registration fee of \$33.00. They are available on the website @ turningpointdancestudio.org Performing Team Camp deposit of \$90.00 due now thru April 24th. Remaining Camp Balance is due by July 20th. (Balance will be determined after auditions.)
